## GENERAL AND COVID LIABILITY WAIVER AND RELEASE OF CLAIMS

### INTRODUCTION

The mission of Children with Diabetes is to focus on care today, so we are ready for a cure tomorrow. We center all of our work to care for those families and all people who live with diabetes. To that end, we want to ensure that we practice all safety protocols when we plan our events, especially in light of the continuing COVID-19 pandemic. We also want to make sure that our staff, volunteers, and board members understand the risks associated with in-person gatherings, and that they are prepared to follow our safety guidelines.

### PART ONE: COVID LIABILITY WAIVER

Children with Diabetes follows CDC guidelines and recommendations in planning Friends for Life conferences. Please see their web site for the most up-to-date information:

### COVID-19 SAFETY INFORMATION:

COVID-19 is extremely contagious and is spread mainly from person-to-person contact. Working with our hotel partners, CWD has put in place preventive measures to reduce the spread of COVID-19. However, CWD cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the continuing spread of COVID-19, individuals who fall within any of the categories below should not engage in CWD in person events and/or other face to face activities. By attending an CWD event, you certify that you do not fall into any of the following categories:

1. Individuals who currently or within the previous fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath, among other symptoms.
2. Individuals who have traveled at any point in the previous fourteen (14) days to a community in the U.S. that has experienced or is experiencing sustained community spread of COVID-19 unless fully vaccinated; or
3. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

### DUTY TO SELF-MONITOR:

Participants and volunteers agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and contact Marissa Town, BSN, RN, CDCES, Clinical Director, Children with Diabetes, via email at marissatown@childrenwithdiabetes.com, if he/she experiences symptoms of COVID-19 within 14 days after participating or volunteering with CWD.

4. In consideration of CWD's agreement to allow me and other members of my family to participate, as attendees, in the Conference, I compromise, release and forever discharge any and all claims and demands, known or unknown, of whatever kind or character, that I and any other members of my family that I bring to the Conference or I may have now, or at any point hereafter, against CWD, its agents, employees, representatives, officers, directors, insurers, successors and assigns, and any all parties in privity with such organizations or individuals, in their individual and representative capacities, arising out of, directly or indirectly, or connected in any way with our participation in the Conference. In particular, I hereby release CWD from, and promise not to sue CWD for, any cause of action, whether known or unknown, for libel, slander, invasion of any right of privacy, publicity or personality, or any other cause of action, based upon or relating to the use of the Images or the exercise of any of the rights referred to in this Agreement.
